

Pharmacy Directory

This booklet provides a list of HealthPlan SecureCare HMO network pharmacies. This directory is for the following counties:

IN WEST VIRGINIA: Barbour, Brooke, Calhoun, Doddridge, Gilmer, Hancock, Harrison, Lewis, Marion, Marshall, Monongalia, Ohio, Pleasants, Preston, Randolph, Ritchie, Taylor, Tucker, Tyler, Upshur, Webster, Wirt, Wetzel and Wood.

Please contact HealthPlan SecureCare HMO at 1-800-592-4465, 24 hours a day, 7 days a week (except Thanksgiving and Christmas), for additional information. All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. To get current information about HealthPlan SecureCare HMO network pharmacies in your service area, please visit our website at www.healthplan.org or call our Customer Service Department at 1-800-592-4465, 24 hours a day, 7 days a week, except Thanksgiving and Christmas. (TTY/TDD Users should call 1-800-716-3231.)

INTRODUCTION

This booklet provides a list of Health Plan SecureCare HMO's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and SecureCare HMO's formulary. If you have additional questions, please call our Member Services at 1-800-592-4465, 24 hours a day, 7 days a week (except Thanksgiving and Christmas). TTY/TDD Users should call 1-800-716-3231. Or, visit our website at www.healthplan.org.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Health Plan SecureCare HMO. In most cases, your prescriptions are covered under Health Plan SecureCare HMO only if they are filled at a network pharmacy or through our mail-order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

Home Infusion Pharmacies

Home Infusion Pharmacies

This plan will cover your home infusion therapy if:

- Your prescription drug is on the plan's formulary or you have a formulary exception.
- The plan has approved your prescription drug for home infusion therapy.
- Your prescription is written by an authorized prescriber.

Home infusion pharmacies specialize in the preparation of medications that are administered intravenously or by injection. To find out more, please visit our website or call our Customer Service department using the information provided on the front cover of this directory.

Long-Term Care Pharmacies

Long-Term Care Pharmacies

Residents of a long-term care facility may access their prescription drugs covered under the plan through the facility's long-term care pharmacy or another network long-term care pharmacy. A long-term care pharmacy provides medications to residents of long-term care facilities (such as nursing homes and residential care facilities, mental health facilities, hospices, and long-term care or skilled nursing care beds in hospitals). To find out more, please visit our website or call our Customer Service department using the information provided on the front cover of this directory.
