

The Health Plan Donates \$360,000 to West Virginia Food Banks

WEST VIRGINIA – January 17, 2023 – The Health Plan (THP) donated a total of \$360,000 to a handful of food banks across the state of West Virginia. THP presented \$30,000 checks to 12 different food banks, continuing the organization's "Spirit of Giving" campaign.

"The best thing about this donation is it was spread among different agencies," said Becky Rodocker, executive director of the Soup Kitchen of Greater Wheeling. "One agency can't meet the community's needs alone – we all have to work together. When we support each other, and receive help from organizations like The Health Plan, we're able to cover all the bases."

These donations will help each organization restock their pantries and provide warm meals to West Virginians in need, allowing each organization to continue changing lives and making an impact across the state.

"Our team is grateful we're able to assist these outstanding nonprofit organizations," said Jeff Knight, president and CEO of The Health Plan. "It's our mission to better the communities we serve, and supporting these organizations and their efforts plays a big part in that."

The Health Plan donated more than \$1 million to nonprofit organizations in 2022 alone.
