

## The Health Plan Donates \$25,000 to Project Hope for Women and Children

**WEST VIRGINIA** – December 23, 2021 – The Health Plan (THP) is excited to continue their “Spirit of Giving” campaign by presenting \$25,000 to Project Hope for Women and Children in Huntington, West Virginia.

This holiday season, THP is assisting Project Hope in supporting women and their children as they work toward recovery and build safe family relationships. The contribution will help Project Hope provide housing, life skills training and mental health services to women looking to better their lives for themselves and their families.

“Project Hope for Women and Children helps keep mothers and their children together while mom works toward recovery one step at a time,” said Project Hope Director Jessica Tackett. “This generous gift from The Health Plan will make more new beginnings possible for the families at Project Hope.”

“We are honored to help Project Hope help women and children rebuild their lives,” said Jeff Knight, president and CEO of The Health Plan. “We want to make sure they have the resources they need to continue their tremendous work.”

### About The Health Plan

As one of the largest locally managed care organizations in West Virginia, The Health Plan is a customer-focused organization that manages and improves the health and well-being of its members. Established in 1979, the West Virginia-based company offers innovative health care benefits and plans at a reasonable cost across the mid-Atlantic region and nationally.
