

The Health Plan Donates \$10,000 to Wheeling Health Right

WHEELING, W.VA – December 30, 2021 – The Health Plan (THP) is excited to donate \$10,000 to Wheeling Health Right (WHR) as part of their annual “Spirit of Giving” campaign.

This holiday season, THP is supporting WHR in offering medical services to those in need. This donation will help WHR provide medical care, medication and education to those who would otherwise not have access to these services.

“We are thrilled with the support of The Health Plan and their willingness to help us meet the healthcare needs of the underinsured in our community,” said Kathie Brown, executive director of Wheeling Health Right. “This donation couldn’t come at a better time as we head into one of our busiest seasons.”

“We are honored to help this outstanding organization in their efforts to better our community,” said Jeff Knight, president and CEO of The Health Plan. “We want to make sure Wheeling Health Right is able to continue helping others during this busy time of year.”
