

**The Health Plan will implement the following new and revised policies on August 1, 2022. See each policy for a full summary of changes.**

**Medical Policies:**

- Clinical Drug Testing in Addiction Treatment Programs and Pain Management Programs
- Skin Lesion Surveillance Technologies
- Speech Therapy

**Payment Policies:**

- COVID-19 Testing
- Never Events, Adverse Events, Hospital Acquired Conditions, Serious Reportable Conditions & Provider Preventable Conditions
- Non-Covered/Non-Reimbursable (Not Separately Billable) Codes
- Outpatient Laboratory Billing

**Note: Affected lines of business are outlined on each available policy. Policies can be located at [healthplan.org/providers/resources/policies](https://healthplan.org/providers/resources/policies)**
